

Center of Gravity Sculpture

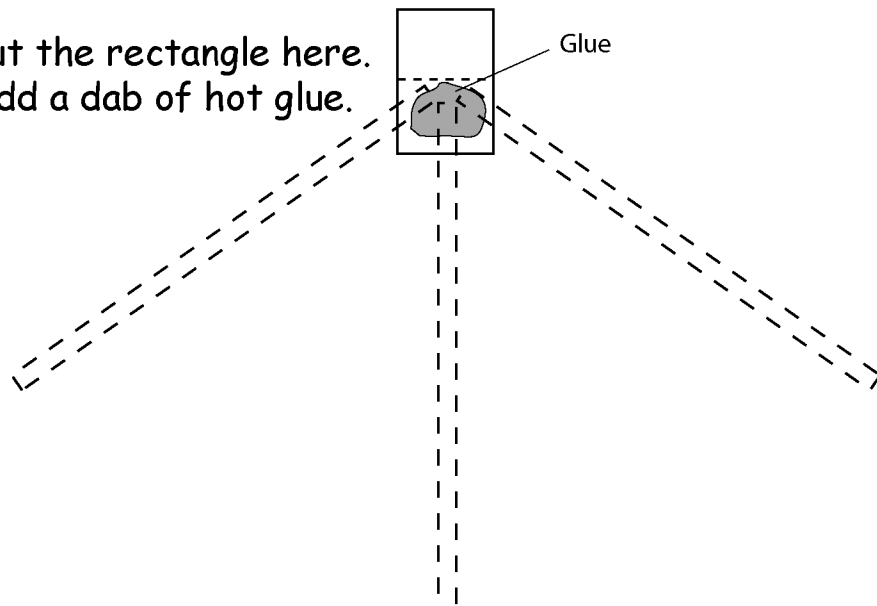

Cut a paper rectangle.
Use heavy paper.

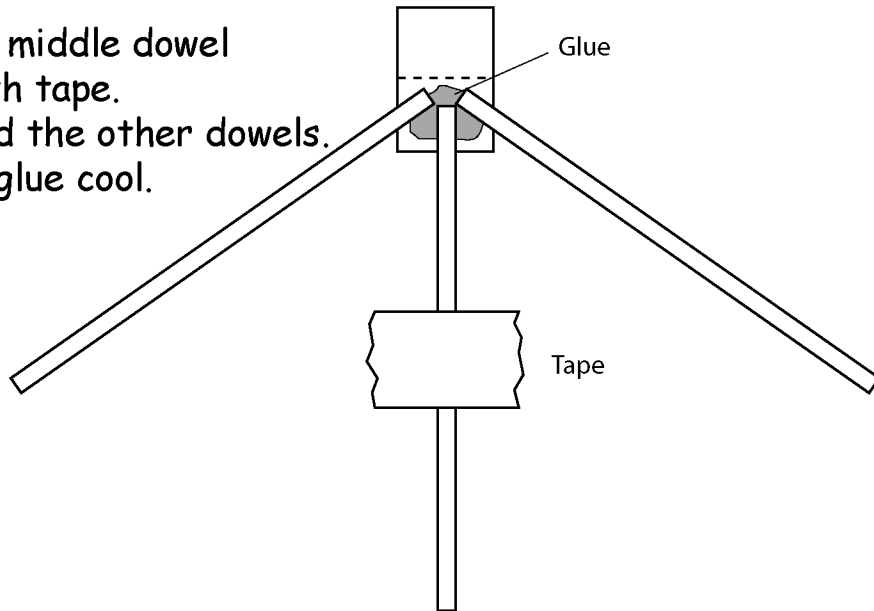

Fold here, then flatten.

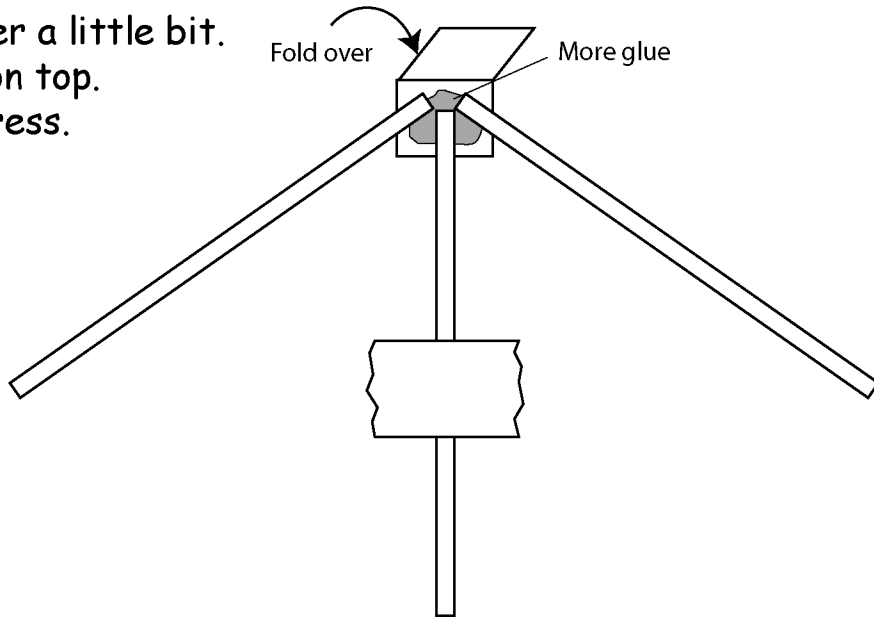

Put the rectangle here.
Add a dab of hot glue.

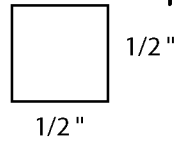

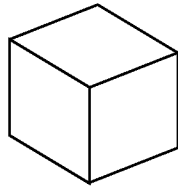

Add the middle dowel first with tape.
Then add the other dowels.
Let the glue cool.

Fold up the paper a little bit.
Add more glue on top.
Fold over and press.

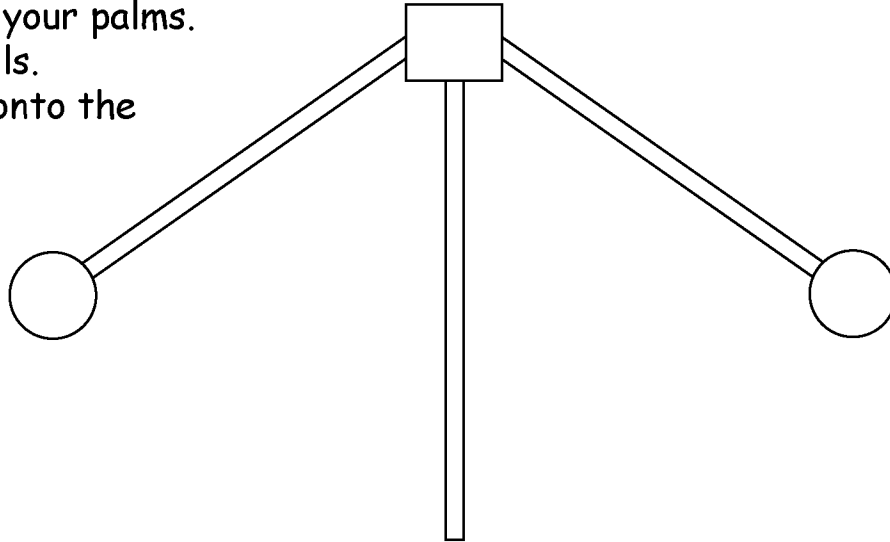

Cut two clay cubes.

The cubes should fit here.

Roll the clay in your palms.
Make round balls.
Poke the balls onto the
dowels.

Lay the sculpture here.
